

Kevin T. McClain

Author of The River Witches Trilogy — Where History, Magic, and Danger Collide.

About the Author

Kevin T. McClain is a retired attorney with over twenty years of litigation experience and two decades in law enforcement administration. He served as a lawyer in Illinois government agencies including the state EPA, Nuclear Safety, and Emergency Management.

A world traveler who drew on his life experiences to craft the international settings of the trilogy, he brings legal and investigative authenticity to the thriller elements of the series. He lives near Quincy, Illinois — the real-life setting of the books — with his wife Linda and their two dogs, Gracie and Cleo.

About the Series

In 1799, three Medici witches boarded a ship to America carrying holy relics, priceless art, and powers drawn from the rivers of Europe. When pirate Jean Lafitte captured their vessel, he fell in love with the most powerful witch alive — igniting a centuries-old war between ancient families that converges, in the present day, on the fog-shrouded Mississippi River.

The River Witches Trilogy

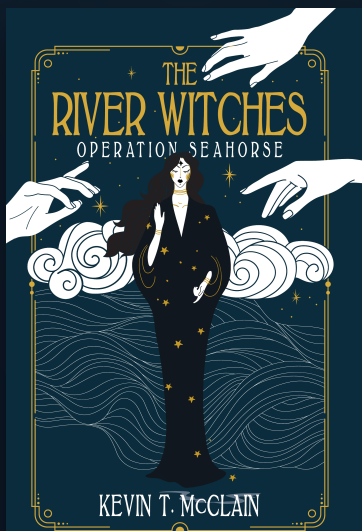

BOOK ONE

Mississippi Magic

A deputy dies clutching a doll with its eyes sewn shut. A knife older than Rome surfaces in the Mississippi mud. Sheriff Brent Jones is about to discover that the blonde woman who just arrived in his small Illinois river town is not what she seems — Anna Catherine Medici has been alive for over two hundred years.

BOOK TWO

Operation Seahorse

An ancient enemy has escaped her prison. A tech genius is engineering the extinction of two billion people. And Anna Medici has been captured. The war between the Medici and Pazzi families erupts in a climactic battle in the piazzas of Venice.

COMPARABLE TITLES

“James Rollins meets Deborah Harkness”

Global thriller plotting and military action in the vein of James Rollins and Clive Cussler, crossed with the centuries-spanning witch mythology of Deborah Harkness's *A Discovery of Witches*.

“A blockbuster saga that blends historical fiction, supernatural thrills, and espionage into something entirely its own.”

— READER REVIEW

“Lothar Face is one of the most compelling villains I’ve read in years.”

— READER REVIEW

“The Venice battle sequence is worth the price of admission alone.”
